Re: Legislative Update – Governor’s Final Actions

Sunday, October 15 was the deadline for the Governor to sign or veto all legislation on his desk for the 2017 legislative session. According to the Governor’s Office, the Governor signed 859 of the 977 bills that reached his desk in 2017. Governor Brown vetoed 118 bills, creating a veto rate of 12%.

Below are lists of signed and vetoed bills that we were tracking for CPPCA in 2017. We have also included veto messages for your reference. We expect to see some of the bills that did not reach the Governor’s desk, or were vetoed, reintroduced during the 2018 legislative session. The Legislature is now adjourned for the remainder of the year and will return on January 3, 2018.

We would like to extend our appreciation to the CPPCA Legislative Committee and Board of Directors for their time and efforts in reviewing and engaging on several priority issues this year. It is our continued honor to work with CPPCA and look forward to representing you in the halls of the Capitol in 2018.

<p>SB 649 Hueso D</p>	<p>Wireless telecommunications facilities.</p>	<p>10/15/2017-Vetoed by the Governor</p>	<p>Current federal law recognizes the authority of a state or local government to manage public rights-of-way or to require fair and reasonable compensation from telecommunications providers, on a competitively neutral and nondiscriminatory basis, for the use of public rights-of-way on a nondiscriminatory basis, if the compensation required is publicly disclosed by that government. Current federal law provides that no state or local government has the authority to regulate the entry of, or the rates charged by, a commercial mobile service, but permits a state to regulate the other terms and conditions of commercial mobile services. This bill would provide that a small cell, as defined, is a permitted use, subject only to a specified permitting process adopted by a city or county, if the small cell meets specified requirements.</p> <p>The Governor’s Veto Message can be found here: http://leginfo.legislature.ca.gov/faces/billStatusClient.xhtml?bill_id=201720180SB649</p>	<p>Support</p>
